

# Unlocking the answers

## Nextipedia 2022

13 January 2022

2022 symbolises a fresh start and presents an opportunity for a more positive and productive year. As part of the BT Young Scientist & Technology Exhibition, our must-attend event will unlock the answers to success. Focused on three main goals, our inspiring speakers will reveal their tips and tools to be happier, to be healthier, and to be a more heroic you.
